

## **ARCASIA FORUM - 21**

### **Ulaanbataar, Mongolia**

A first of its kind, hybrid committee meeting was held during the ARCASIA Forum-21 at Ulaanbaatar, Mongolia on September 05, 2022. Member institutes from all over the world joined in for discussions on the main theme entitled - 'Alternative Energy Options for the Future', a topic chosen after careful consideration because the world now needs to prioritize to transform our energy systems and speed up the shift to renewable energy - “because without renewables, there can be no future.”

- A. A special digital presentation by Ar. Qazi Arif, Past Chair - ACGSA of the book on "Vernacular Wisdom". The book was launched and distributed in the ARCASIA Forum - 21.
- B. A special digital presentation of Green AsiArch Exhibition was given by Ar. Debatosh Sahu, Past Chair - ACGSA. The Green AsiArch exhibition was also inaugurated in Hybrid mode and 10 countries participated in the same.
