Subject: Fwd: ARCASIA OB meeting in Pakistan

Dear Ar. Saifuddin Ahamad,
President ARCASIA

I am forwarding the letter from the president IAP regarding the hosting of OB meeting in Pakistan which I received some time earlier.

We can discuss it in Jodhpur and subsequently in the upcoming OB meeting.

Regards,
Devendra

Dear Ar. Devendra Nath Gongal,
VP Zone-A, ARCASIA

Thank you for your email and for considering Pakistan as a potential host for the upcoming ARCASIA OB meeting.

The Institute of Architects Pakistan (IAP) is keen to host the ARCASIA OB meeting in

Pakistan after September this year. We propose aligning this meeting with IAPEX 2025, Pakistan's largest building material exhibition and conference being organised by the IAP Lahore Chapter. The event is scheduled to take place from December 5-7, 2025, in Lahore.

IAPEX attracts a large number of international delegates and architects from across Pakistan, making it an ideal platform to host the ARCASIA OB meeting. Combining the OB meeting with IAPEX will provide a unique opportunity for ARCASIA members to engage with the local architectural community and experience Pakistan's vibrant architectural landscape in the beautiful historical cultural city, Lahore.

We kindly request you to review the proposed dates and let us know if this aligns with ARCASIA's schedule. We are confident that this collaboration will be mutually beneficial and look forward to your positive response.

Thank you for your consideration.

Warm regards,

Ar. Fawad Suhail Abbasi, FIAP
President
Institute of Architects Pakistan (IAP)

Arch. Fawad Suhail Abbasi,
President IAP,

Dear Ar. F. S. Abbassi,

It is in reference to your interest shown to organise ARCASIA OB meeting in Pakistan.

ARCASIA will have an OB/CC meeting in Beijing in May and another one in Kuala Lumpur after that. As you know, the Congress will happen in S. Korea in September this year.

So the OB is keen to know officially your proposal, if any, to organise an OB meeting in Pakistan after the month of September of this year.

I hope you will come forward with your proposal at the earliest so as to finalise the ARCASIA program of this year.

Regards,

Ar. Devendra Nath Gongal
VP Zone-A.
