☑ Speakers & Lectures

Forum 1

Young Architects Exchange
- **Emerging Voices of Asia**

Ki-chul Lee (KIRA) / Co-moderator:
Denny Setiawan (IAI, ACAY Chair)

Meeting Room 13:30~15:00

This forum will invite 10 young architects from ARCASIA member countries. They will showcase recent projects that best exemplify design solutions in the current social, economic, and environmental context. The session will be divided into two parts, each featuring 5 presenters who will introduce unique design solutions that reflect the theme of the Congress, "A Better Tomorrow".

Forum 2

Social Outreach
- **Architects as Good Citizens**

KIRA / Co-moderator:
Farhana Shamin Emu (IAB, ACSR Chair)

Meeting Room 15:30~17:00

This forum will invite three institutions from ARCASIA's 23 member countries (including KIRA) to present exemplary cases of "Architecture for Marginalized Communities." The session will begin with presentations by the winners of the Barry Will Award (2nd or 3rd cycle), commemorating Ar. Barry Will of HKIA.

Special Zone C Training Session

ARCASIA Emergency Architecture Training

KIRA X HKIA

Conference Room 13:00

Content: This training provides an educational opportunity for disaster relief architecture. It explores opportunities for architects and designers to address special needs and challenges when designing structures and communities in the aftermath of natural disasters and man-made calamities.

September 10

September 11

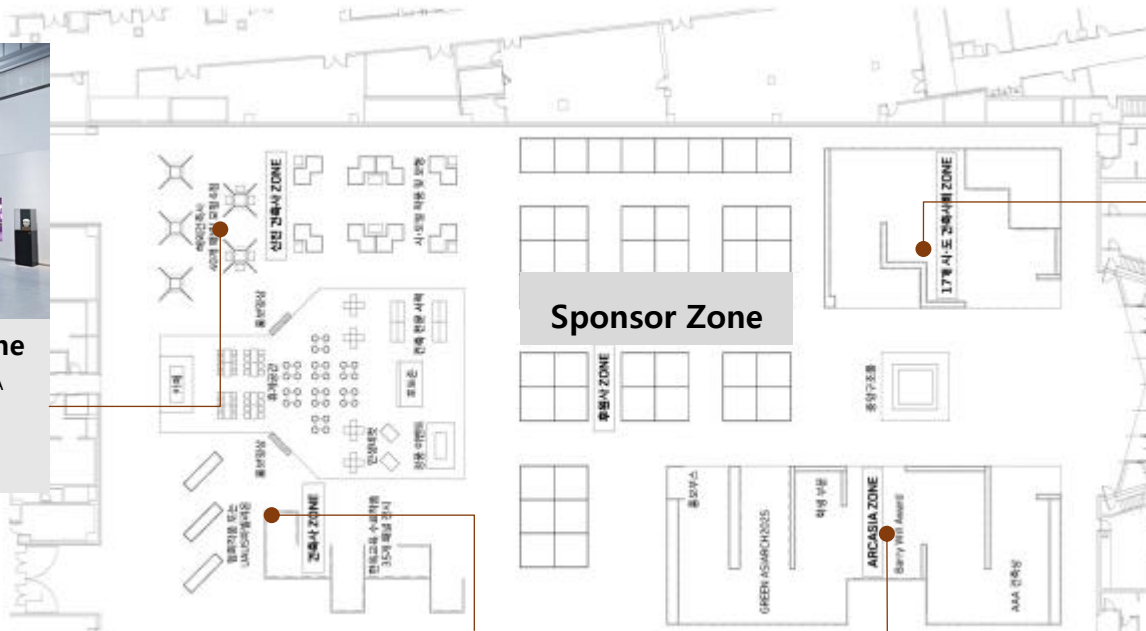

September 12
