Dear Sir,

**ACAE'S SUPPORT AND STUDENT PARTICIPATION IN THE 7TH ARCHITALENT:
ARCHITECTURE STUDENTS DESIGN COMPETITION 2025 – "RE:PLACE"**

We are pleased to inform you that the **8th ARCHITALENT 2025 will be held from 1 June to 24 July 2025 at MITEC, Kuala Lumpur in conjunction with the upcoming DATUM:KL 2025 and Kuala Lumpur Architecture Festival (KLAF)**. The theme for this year's ARCHITALENT is "Re:Place", inviting young minds to explore how architecture can address and reimagine issues of land, identity, culture, memory and sustainability in a rapidly transforming world.

ARCHITALENT is PAM's signature student design competition that celebrates and promotes creative excellence among final-year architecture students. **Since 2022, the competition has been open for submissions to all ARCASIA member institutes**, encouraging wider regional collaboration and participation among the next generation of architects.

PAM would also like to seek your support in disseminating the competition information to all ARCASIA member institutes through the ACAE network once again this year. The competition timeline below for your reference:

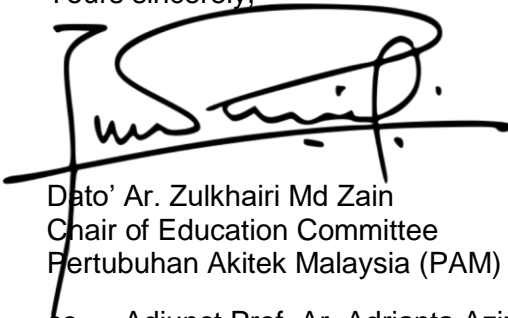

- 01 June 2025: Open for submission
- 30 June 2025: Closing of submission (extended to 03 July 2025)
- 05 – 09 July 2025: Judging process
- 10 July 2025: Announcement of 10 shortlisted entries (7 local, 3 international)
- 24 July 2025: Final Presentation Day at MITEC PAM Pavilion, Kuala Lumpur

We will share the official brief and submission details in the coming days. In the meantime, we hope you can share this information to ACAE members and encourage participation from the final year students.

Please do not hesitate to contact us should you require any further details at +603 2202 2866 / +6013 6855535 or email ridzwan@pam.org.my . Looking forward to your kind support.

Thank you.
