NATIONAL CONVENTION OF THE UNION

The UMA National Convention regularity has been recently updated. Annual conventions will be held every four years, during which board members and office bearers will be selected.

Sub-conferences are also held at least twice a year at a national level.

LEGAL STATUS OF THE UNION AND COUNTRY

The registration body is Commission of Architects, Mongolia. Certain procedural requirements need to be met, such as qualification requirements, minimum five-year working experience, passing of professional practice examination criteria.

The architect's registration system in Mongolia has been put into practice from 2007 and those who graduated from the accredited school of architecture can take part in the examination for registration. By passing the examination, candidate is qualified for registration. After the registration, the architect holds the title of Professional Architect. The license is issued from the National Center for Construction Urban Development and Public Utilities.

INTERNATIONAL AFFILIATIONS

The UMA boasts ties with a multitude of international partners and regionally significant institutions, such as:

- Architectural Society of China
- Japan Institute of Architects (JIA)
- Korea Institute of Registered Architects (KIRA)
- the Union of Architects of Russia
- Union of Swiss Civil Engineers and Architects
- Architectural body of the Democratic People's Republic of Korea

which among all member countries Mongolia has long-running diplomatic ties.
