

**2nd ARCASIA ROUNDTABLE ON URBANISM
"CAPITAL CITIES: NEW CITIES/VISIONARY MASTERPLANS"**

5th - 6th SEPTEMBER 2019

The issues of urbanization and cities in south Asia, may seem daunting and a pressing need of time, but have a sense of commonality and shared familiarity.

Stemming from a common social, cultural, economic and historical heritage, our conditions inform our practice of urbanism for mutual benefit and shared strengths.

The 2nd ARCASIA Roundtable on Urbanism "CAPITAL CITIES, NEW CITIES / VISIONARY MASTERPLANS" in Islamabad resolves for action and continued exploration in the following areas:

- 1- A framework for looking at various criteria and process of evaluation of Cities needs to be developed in the next forum and roundtable in Shanghai.
- 2- It is important to further Investigate the future of cities from a citizens point of view.
- 3- ARCASIA will support IAP (and PCATP) to make a positive proposal in light of the deliberations of this International conference and Roundtable for the Future Visionary Masterplan Direction of Islamabad.
- 4- For Architects and Planners to Identify concerns and actors and participate in city aspects of city governance to build a stronger institutional framework and healthier city culture.
- 5- Investigate urban ecosystem services including urban agri-systems for sustainable living.
- 6- Explore the role of emerging technologies and new form of productions in attempt to answer the crisis of resources.
- 7- We must learn from history and look to our heritage in order to create better future cities.

8- Explore the necessity for Regional Planning to include Urban, Peri-urban/ suburban and rural areas.

9- Sharing of all presentations from this forum on a portal so a discussion and further response to presentations and ideas on urbanism can take place.

10- We will meet next in Shanghai I for the 3rd ARCASIA Forum and Roundtable on URBANISM on "URBAN REGENERATION" Relating to the Existing City on the 11th-15th of March 2020 at the Tongji University Campus.
