

Vice President Zone B Report

Zone B is proposing meetings through out the year to discuss the following issues that are pertinent to each Institute. The issues to be discussed are as follow:

1.0 Professional Practice

- 1.1 Sustainable Fees and Fee Scale
- 1.2 Design Competition and problems
 - Unfair competition
 - Iconic Projects VS Staple Projects
 - Others
- 1.3 Foreign Architects Practicing in Host Country without Proper Local Partner
- 1.4 Marketing and Branding
- 1.5 Staff Training and Education
- 1.6 Professional Practice Standards (International)
- 1.7 Continuing Professional Development Programs
- 1.8 International Licensing/Cross Border Practice (ASEAN ARCHITECTS)

2.0 Green and Sustainable Architecture

3.0 Social Responsibility Issues

4.0 Architecture Education and International Accreditation

Implementation: Zone B proposes to have series of meetings through out the year to continue the dialog as work in progress. These meeting can be held during the National Convention of each zone B member Institutions. If that proves to be difficult, video conference can also be held throughout the year.
