

THE ARCASIA Hymn

The ARCASIA Council approved the ARCAASIA Hymn as proposed by Ar. Felipe Mendoza, ARCASIA's past President and a senior Fellow of UAP, in its meeting held at Manila in 1994. The Hymn was penned by Victor H. Belen.

*We Architects of all the nations of Asia
Joined in a union which we call ARCASIA
Tasked to improve the beauty of our native lands Design structures for the benefit of
man.
All Architects are the artists gifted by the Creator of the world.
Let's show to the world that we are children of the loving Lord.
It is the aim of architects of ARCASIA
Always to be of service to the people.
Now we are here in spirit of a common pledge long live the Congress of the Asian
Architects.*

In 2013, Ar. Smith Obayawat, the then President of ASA has agreed to turn the ARCASIA hymn into ARCASIA Song. The song could be played at all our ARCASIA events to remind us of the spirit of ARCASIA and our profession. The song will be presented to you at ACA16 opening & Friendship Night.
