

ARCASIA Website & Facebook

ARCASIA Website

- ☞ The website was redesigned and launched in March 2013.
- ☞ The website is updated and monitored regularly and the no of hits have improved progressively.
- ☞ QR Code was developed and included in the ARCASIA business cards and to be displayed on banners of ARCASIA and Institutes events, which will link directly to the ARCASIA website.
- ☞ This is another strategy to promote the awareness of ARCASIA to a much wider audience.

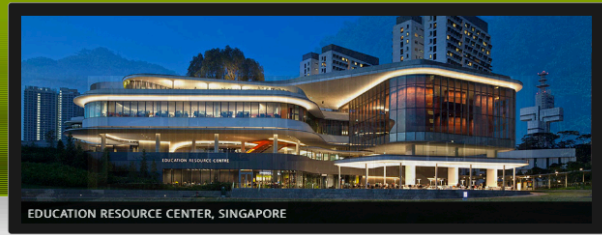

<http://www.arcasia.org>

The new web site have the following features and improvement.

- ∞ -It is in a new HTML 5 format so that all the new devices such as I-pads, tablets, i-phones can get access to the web site and the web site will appear the same as what is on the computer screen. For the old web site, some of the information will not appear on the phone.*
- ∞ It is compatible with Window 7, 8, Internet Explorer 9, 10. The web page will not look distorted or out of alignment using the new computer system*
- ∞ Search engine has been optimized and one can search the web site easily using key words and it is linked to Google and Yahoo search engines*
- ∞ The menu system has been improved. In the old menu system, one cannot get access to the menu, as many of the links are broken.*
- ∞ Software tracking system has been incorporated to monitor the website visits within a stipulated period and to generate website report to include the no of visits, which countries they are from, time of visit and the files they viewed.*
- ∞ New links to Social Network such as Facebook and twitter have been incorporated*

- ☞ *The whole web site is designed based on a Content management system (CMS) so that all the items are maintained in a modular format and they can be easily added, deleted and replaced. As such, upgrading can be done easily.*
- ☞ *Video streaming has been incorporated. The latest video of the ARCASIA documentary has been uploaded on the home page.*
- ☞ *Picture gallery, which is easier to access. In the old web site, it is very difficult to get access to the pictures. For the new web site, access is more direct, in either thumbnail or full screen and can be downloaded.*
- ☞ *Section on Corporate Sponsor has been introduced*
- ☞ *Feedback form has been introduced*
- ☞ *New Google map location*
- ☞ *Link to Architecture Asia E magazine has been introduced*
- ☞ *Instant backed update can be done at the backend.*
- ☞ *Direct link has been provided to the member institutes' web site*

EDUCATION RESOURCE CENTER, SINGAPORE

President's Message

Time flies and the first quarter of 2014 is over. After serving as the President of ARCASIA for more than a year, it's again time for me to give an update on the various activities of ARCASIA.

Welcome to Arcasia

The Council of the ARCASIA consists of all the Presidents of the National Institutes.

The organization itself serves as an extension for each member institutes' regional programme and relations.

Annual meetings are held in different member institute countries, to deliberate and to give collective directions and representation to matters that affect the architectural profession in the Asian region.

ARCASIA and ARCASIA-President Facebook

In keeping up with the new means of communication, ARCASIA Facebook has been set up to reach out to a wider community and members directly.

ARCASIA-President Facebook was started by Immediate Past President, Ar. George Kunihiro and transferred to me when I took over as President
