Dear Hui Min Chan Honorary Secretary. ARCASIA

Our President has received the letter from President of ARCASIA.

He highly appreciates sincere efforts of your President and you.

I'm going to send some problems to reply your questions.

In the 4<sup>th</sup> question, the president of ARCASIA asked about KAU's legal status in DPRK and copy of our official registration with the local authority in previous letter.

The Architects Union of Korea is the only social organization of architects and engineers of construction in DPRK.

As upon your request for official registration of KAU, and considering that it is necessary for admission, we would like to present you the one verified by DPRK Embassy in Singapore in order to avoid misunderstanding and differences in registration systems of the countries.

If there is no problem about our suggestion, please send us the result as soon as possible.

We will send all information which president of ARCASIA asked by E-mail soon after that.

And may I have a question about Council meeting date?

I've heard our application will be discussed in November 2020 from you on the phone, but the President informed us that our application would be tabled for approval by ARCASIA Council in November 2021.

Yours Sincerely.

Director of Foreign Affairs Dep. KAU

Kim Hyok Jin (2020/10/29)
