

ACGSA Proposed Year Plan 2021

Objectives:

- To **align with ARCASIA president's direction** on
 - SEEDS (Stewardship in use of resources, Education + Life Long Learning, Environmental Sustainability, Design Excellence + Empathy, Social Awareness + Responsibility) meaning that we work across countries + disciplines utilizing resources and technologies as possible.
- To **align with ACGSA's common country issues** raised during Meeting in Jaipur / Dhaka and emerging issues discussed in ACGSA 2020 meetings
 - Pillar 1: Heritage and Future Vernacular
 - Pillar 2: New Urban Agenda
 - Harmonizing Green Building Rating Tools
 - Professionalism
 - Density
 - Waste
 - Health + Well-being
 - Pillar 3: Resilience
 - Best practices and techniques from different regions with different approaches / issues
 - Flood, earthquake, water scarcity, design for disaster
- To utilize ACGSA/ARCASIA's resources to **integrate practice, design and education through social outreach via followings as ACGSA 2021-year plan**
