# Proposed Initiatives of ACSR under ARCASIA

1. To include a SR Category in future ARCASIA Awards
2. To allocate a session for SR discussion in each ARCASIA Forum and Congress
3. To enhance discussion and sharing on SR topics in Student Jamboree
4. To organize SR related architectural design competitions for the profession and for students
5. To include SR related design courses into the Curriculum of Schools of Architecture through ACAE
6. To promote the introduction of SR related practices into professional practice of the industry through ACPP
7. To encourage the implementation of SR related designs to complement sustainable designs through ACGSA
8. To facilitate Architects and Practices to adopt *ISO26000: Social Responsibility* as a core value of their organization through their conception of social responsible and sustainable architecture
