International seminar on
‘Architecture for Sustainable and Resilient Habitat: Think Local’

Organized by Institute of Architects Bangladesh
DHAKA SEPTEMBER 27 2014

HIGHLIGHTS

KEYNOTE SPEECH

Ar. Dr. Ken Yeang. Principal, T R Hamzah and Yeang, Malaysia

"The world is so small, the architect second." - Ken Yeang, Eco-architect
"One of the 50 people who could save the planet." - The Guardian

 Widely regarded as one of the key figures of eco-friendly architecture and master planning, Ar. Dr. Ken Yeang's work has won 20 international awards including the Aga Khan Award for Architecture and the RIBA Awards. His work has been published widely. Key projects include the high-rise National Library Buiding (Singapore), the 40-storey Eco-Tower at Pepperell Castle, the 24-storey MBM Building (Malaysia) and 15-storey Mahvash Building (IBM Franchise) (Malaysia).

"...Ken Yeang has developed a distinctive architectural vocabulary that extends beyond questions of style to confront issues of sustainability and how we can build in harmony with the natural world...." - Lord Norman Foster

FOCUS SPEECH

Ar. Eric J. Cesar, CEO, Architecture for Humanity, USA

Eric J. Cesar graduated in Architecture, Construction Management and Business Administration from Washington University in St. Louis in the worst depression in the US since the 1930’s. He published "Down Detour Road: An Architect in Search of Practice" from the MIT Press in 2010. This widely acclaimed book deals on the state of the architecture profession and future vision where architects might expand the footprint of their services.

In the same year, he joined Architecture for Humanity (A4H), the voluntary organization formed by Cameron Sinclair in 1999 and began work in earthquake-devastated Haiti. One of his key areas of focus is the improvement of resilience in vulnerable settlements. A4H has published "Design Like You Give a Damn (1 + 2)" extensive compendiums of projects and practices aimed to enhance resilience, emergency shelters and improve life of the people who are less fortunate than those who can hire an architect.

...and several presentations on sustainable design by ARCSA Member Institutes.

MANUAL/PROTOCOL of ACGSA Roundtable

There was an open discussion regarding having a MANUAL/PROTOCOL of ARCASIA Roundtable on Sustainability in Architecture & Construction.

IAB offered its service towards preparing the draft of the manual/protocol for necessary discussion in the next ROUNDTABLE.

7th. ACGSA Roundtable

The 7th. Roundtable will be held in Mongolia as the Mongolian Institute of Architects expressed its desire to hold the next ROUNDTABLE.

The meeting welcomed the intention and accepted the offer and decided to request Mongolian Institute to hold the 7th. ROUNDTABLE between Mid August and Early September 2015 so that the event does not coincide with Muslim religious festivals (Eid Ul Fitr. & Eid Ul Adha) and Hindu religious festival of Durga Puja.

It is expected that the weather in Ulan Bator will be pleasant during Aug-Sept.

6th Arcasia Roundtable on Green & Sustainable Construction

International seminar on
‘Architecture for Sustainable and Resilient Habitat: Think Local’

Organized by Institute of Architects Bangladesh
DHAKA SEPTEMBER 27 2014
There shall be a THEME OF EACH Round Table to be decided by the Host Institute which is relevant to the practice and profession of architecture of that country and that of ARCASIA Member Institute considering Global scenario. According, the Round Table shall be called (as for an example):

8th ARCASIA ACGSA Round Table on “Architecture, Building Climate”
Host Institute for the following Round Table shall be determined based on an EXPRESSION OF INTEREST submitted at the end of the Round Table every year.

**Date, Venue, Logistics & Hospitality**

Host Institute shall mention the preferred date and venue of the Round Table. Host Institute shall organize & arrange the venue for the meeting and associated Logistics and local hospitality, transport for all the invited participants of the Round Table.

**Accommodation**

Host Institute shall offer complimentary for at least 2 nights to all the invited participants. Standard of Accommodation and basis of sharing shall depend on the convenience of the host Institute.
ACGSA Round Table shall take place once in every year at least 2 month before ARCASIA FORUM or ACA. The Round Table shall be a ONE DAY EVENT from 10am-5.00pm with two Tea/Coffee Break and Lunch Break.

Small National flags shall be placed in front of each participant of the Round Table. Name Plates of each participant with appropriate designation shall be placed. Provision for Audio recording, Still Photography and Videography shall be arranged for archiving. Basic Stationary such as (but not limited to) Note pad, Pen, Folder etc. shall be supplied by the host Institute.
Notice of the Round Table shall be circulated among the presidents of the ARCASIA Member Institutes and the heads of the GBC of the Member Countries at least 3 months prior to the date of the Round Table.

Host Institute shall send invitation to ARCASIA President and Chairman ACGSA to attend the Round Table as a Special Guest.

The invitation may be extended to any other official related to ARCASIA & ACGSA activities as deemed appropriate by the host Institute.
President of the Host Institute or any official designated by him shall be the Chairman of the Round Table.

Chairman ACGSA shall moderate the Round Table.

Host Country may choose to invite any local, regional or International dignitary as the Chief Guest of the Round Table

Host Country may choose any expert (preferably Local) to present a KEY NOTE Speech highlighting the theme of the Round Table in the local and Global context
Agenda of the Round Table shall be prepared by the Chairman ACGSA and be circulated among all the invitees & participants by the host Institute at least 1 month prior to the Round Table.

Agenda shall include (but not limited to):

- Presentation of the Minutes of the Earlier Meeting
- Introduction of the Participants, Guest & Dignitaries attending the Round Table
- Key Note Speech
- Member Institute Country Reports (Format: Annexure),
Business of the House:
Chairman ACGSA shall outline the Business of the House upon reviewing suggestions/recommendations from Member Institutes

Following items shall be included in general:
ACGSA Road map for the next one year
Calendar of events & activities
Selection of the Host, Venue & tentative Time for the next Round Table.
A Group Photo Session shall take place at any convenient time during the Round Table
The Round Table may formulate any Charter or Declaration (if deemed necessary) at the end of meeting.

Resolution of the Round Table (including Charter or Declaration) shall be presented to the ACGSA meeting during the following ACA or FORUM for further discussion and subsequent submission to Council Meeting for adoption/approval.
It is desirable that the Host Institute shall organize a SEMINAR on the next day of the Round Table where the audience shall be the local Architects, Students of Architecture and other related professionals, dignitaries etc.

The Theme of the Seminar shall be similar to the theme of the Round Table.

Host Institute shall select the Speakers for the Seminar (Local or International).

Host Institute may invite selected participants of the Round Table as Speakers.
Social Event

Host Institute may arrange any Social & Cultural event in any of the evenings during the Round Table and Seminar to showcase and share local culture with the participants.

Social events may also include visiting any place or site of the venue city with special architectural, historic or any other attraction.
