# ACYA Questionnaire

The screenshot shows a web browser window displaying a Google Forms questionnaire. The browser's address bar shows the URL: [https://docs.google.com/forms/d/1wsnsiN2BLTT7ikwsU-UzXIbRG1VDebjlxAr4YEPDavQ/viewform?ts=59f63f1f&edit\\_requested=true](https://docs.google.com/forms/d/1wsnsiN2BLTT7ikwsU-UzXIbRG1VDebjlxAr4YEPDavQ/viewform?ts=59f63f1f&edit_requested=true). The browser's taskbar at the bottom shows several open applications, including Internet Explorer, Outlook, Chrome, Firefox, Photoshop, Edge, VLC, PowerPoint, File Explorer, Word, and a game window. The questionnaire itself consists of three questions:

- Are you a registered member of your country's Institute of Architects? \***
  - Yes
  - No
  - Option 1
- Are you actively involved in your country's Institute of Architects? \***
  - Yes
  - No
- If yes, which committee do you participate in? \***
  - Practice
  - Green / Sustainability

The bottom right corner of the browser window shows the system clock: 12:26 PM, 2/11/2017.

4. Indonesian Institute of Architects (IIA)										
5. Japan Institute of Architects (JIA)										

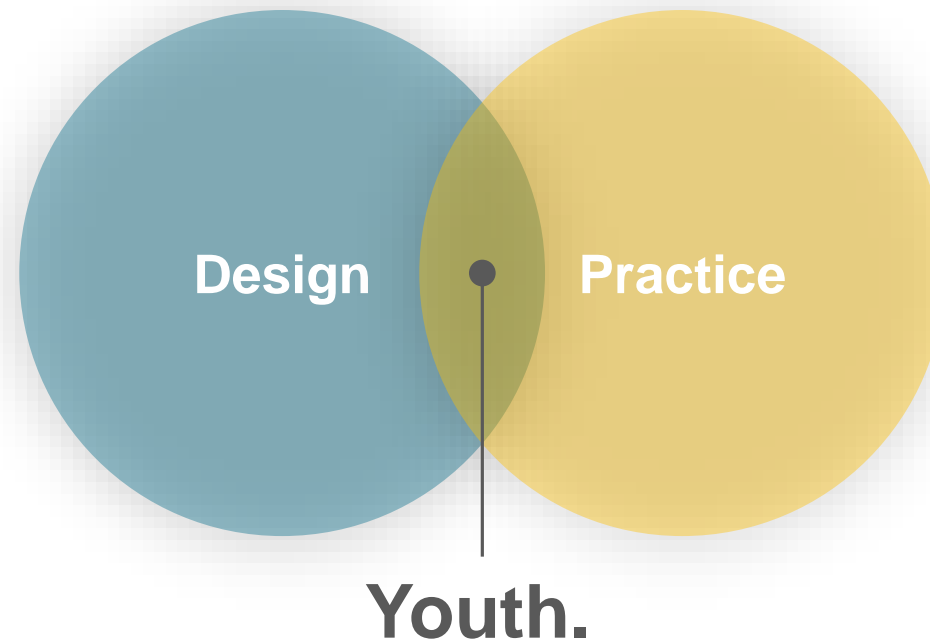

Prepared by Ar. Ahmad Ridha Abdul Razak, PAM

# GOALS OF THE ACYA QUESTIONNAIRE

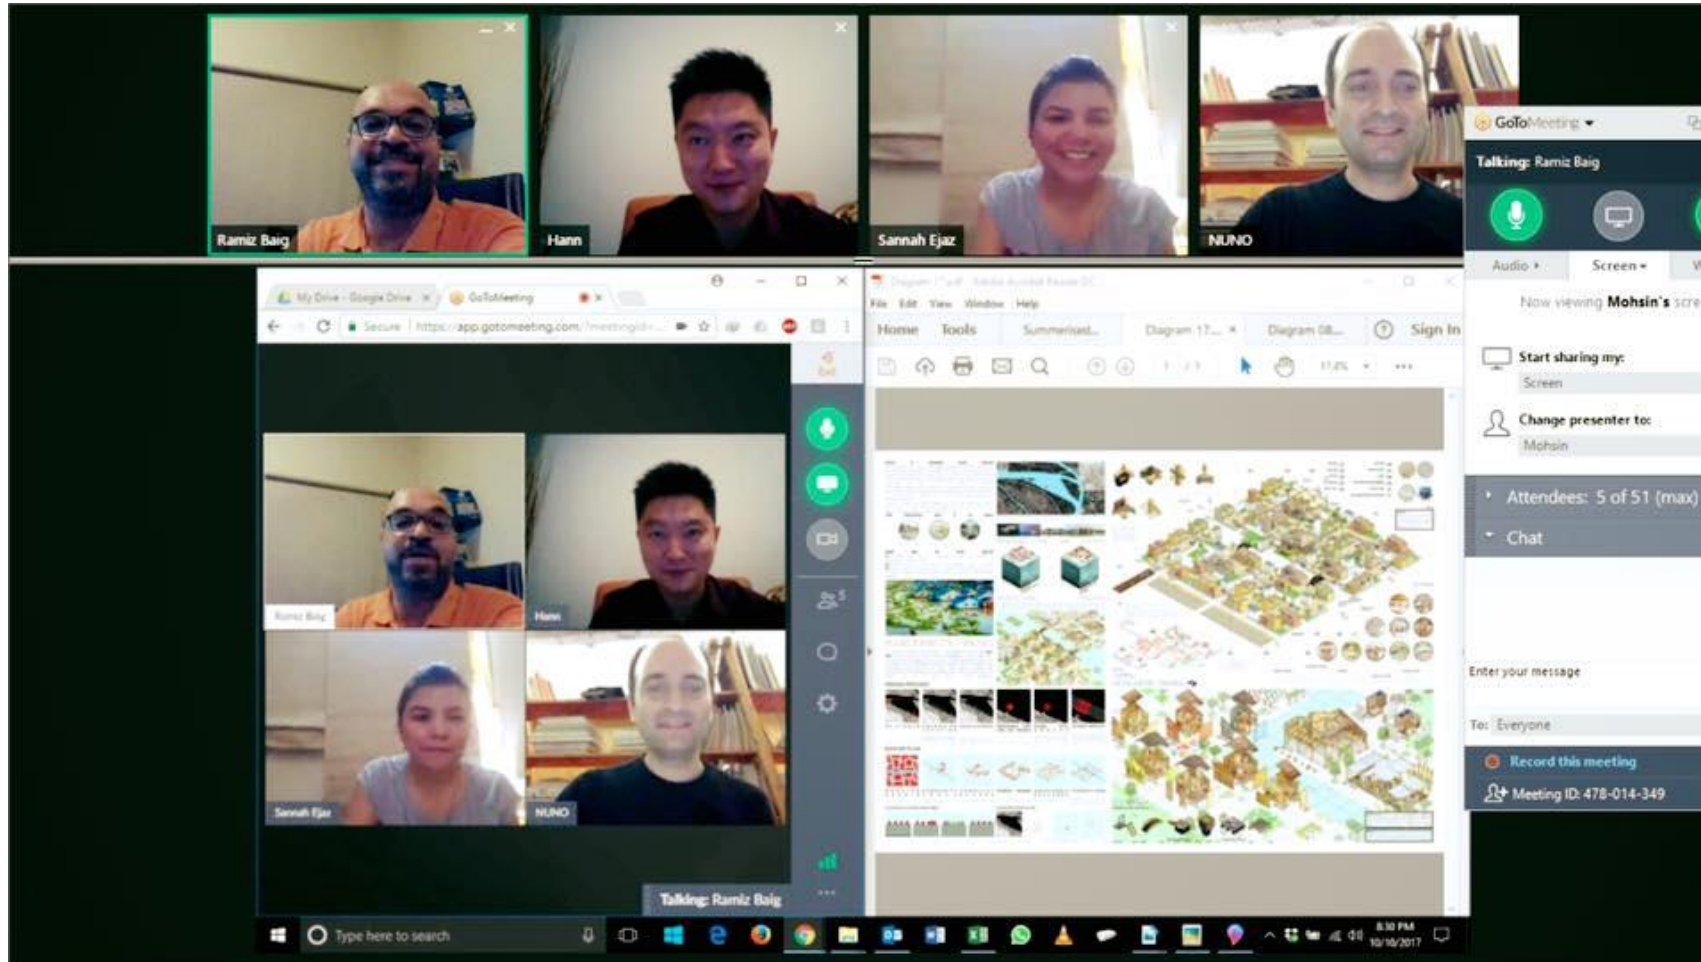

1. Identify participation from youth committees across ARCAAsia institutes
2. Identify the role and representation of youth in their respective institutes
3. Transition from student participation to youth participation
4. 'Target audience' or a 'client base' for ACYA activities
5. This baseline-setting is important for ACYA to determine objectives of ACYA

# ACYA FORUM, TOKYO 2018

1. Having identified issues facing young architects, organize a forum in Tokyo
2. Themes would resonate / continue from the Youth Stormathon activity in Dec 2017

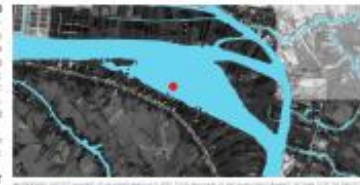

# ACAE STUDENT COMPETITION | JUDGING

**HISTORY OF VIETNAMESE WATER DWELLING**  
 Vietnamese people have always been fascinated with the idea of living on the water. Vietnam's water system is characterized by its 2820 km long coast, five and cross-river networks. It's notable that floating lifestyle has emerged through out the history of Vietnam and has become a common type of accommodation, especially floating delta, for a lot of Vietnamese families. Communities that have a lot of coastal or riverbank water dwellers eventually can create a living not only by capturing fish, farming, agriculture but also by artistic activities. Though Vietnamese water dwellers are not getting rich in culture and art, these places of architecture in form of living condition, energy consumption and resource development.

**THREE ARCHITECTURAL GOALS OF THE PROJECT**

**PROPOSING SITE AND CONCEPT**

**ARCHITECTURAL IDEOLOGY**

**ISSUES**  
 01 In Vietnam condition, water table is large amount of waste that are potential for accumulation. Last one is limited.

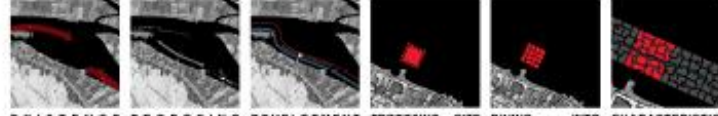

**NEED FOR WATER DWELLING**  
 02 Floating houses is a good solution to the shortage of land use. 03 Floating houses that are temporary, easily moved and flexible reduce the water in the city system. Therefore in this current condition of Vietnam, a new concept of floating houses is needed.

**ENVIRONMENTAL HOUSES**

THE PROBLEM OF EXISTING FLOATING HOUSES CAN BE SUMMARIZED AS ONE WORD: **ISOLATION**. WE AIM TO SOLVE THAT BY CREATING ENVIRONMENTAL HOUSES WHERE FLOATING HOUSES WILL BE CONNECTED AND BE A PART OF SOMETHING BIGGER AND BETTER. THE PROJECT WILL BE A LANDMARK TO ATTRACT TOURISTS. IT WILL BE A HARMONIOUS LAND ENVIRONMENT WHERE ANIMALS WILL BENEFIT FROM GARDENS, PLAYGROUNDS AND OTHER SPACES AND CUSTOMERS WILL FEEL CONNECTED IN A WAY THAT EVENTUALLY THE PROJECT WILL HELP TO CREATE SUCH A LIMITED COMMUNITY.

**DESIGN PROCESS**

**EXISTENCE PROPOSING LOCATION DEVELOPMENT PROPOSING SIZE FOR 300 PEOPLE DIVING INTO GROUPS CHARACTERISTIC**

01. Site analysis and location proposal. 02. Development proposal. 03. Development proposal. 04. Development proposal. 05. Development proposal. 06. Development proposal.

**MASTER PLAN**

**MODULAR DESIGNING SPACE COMMUNITY HOMES AT RURAL HOUSES SUSTAINABLE FEATURES CONNECTIONS**

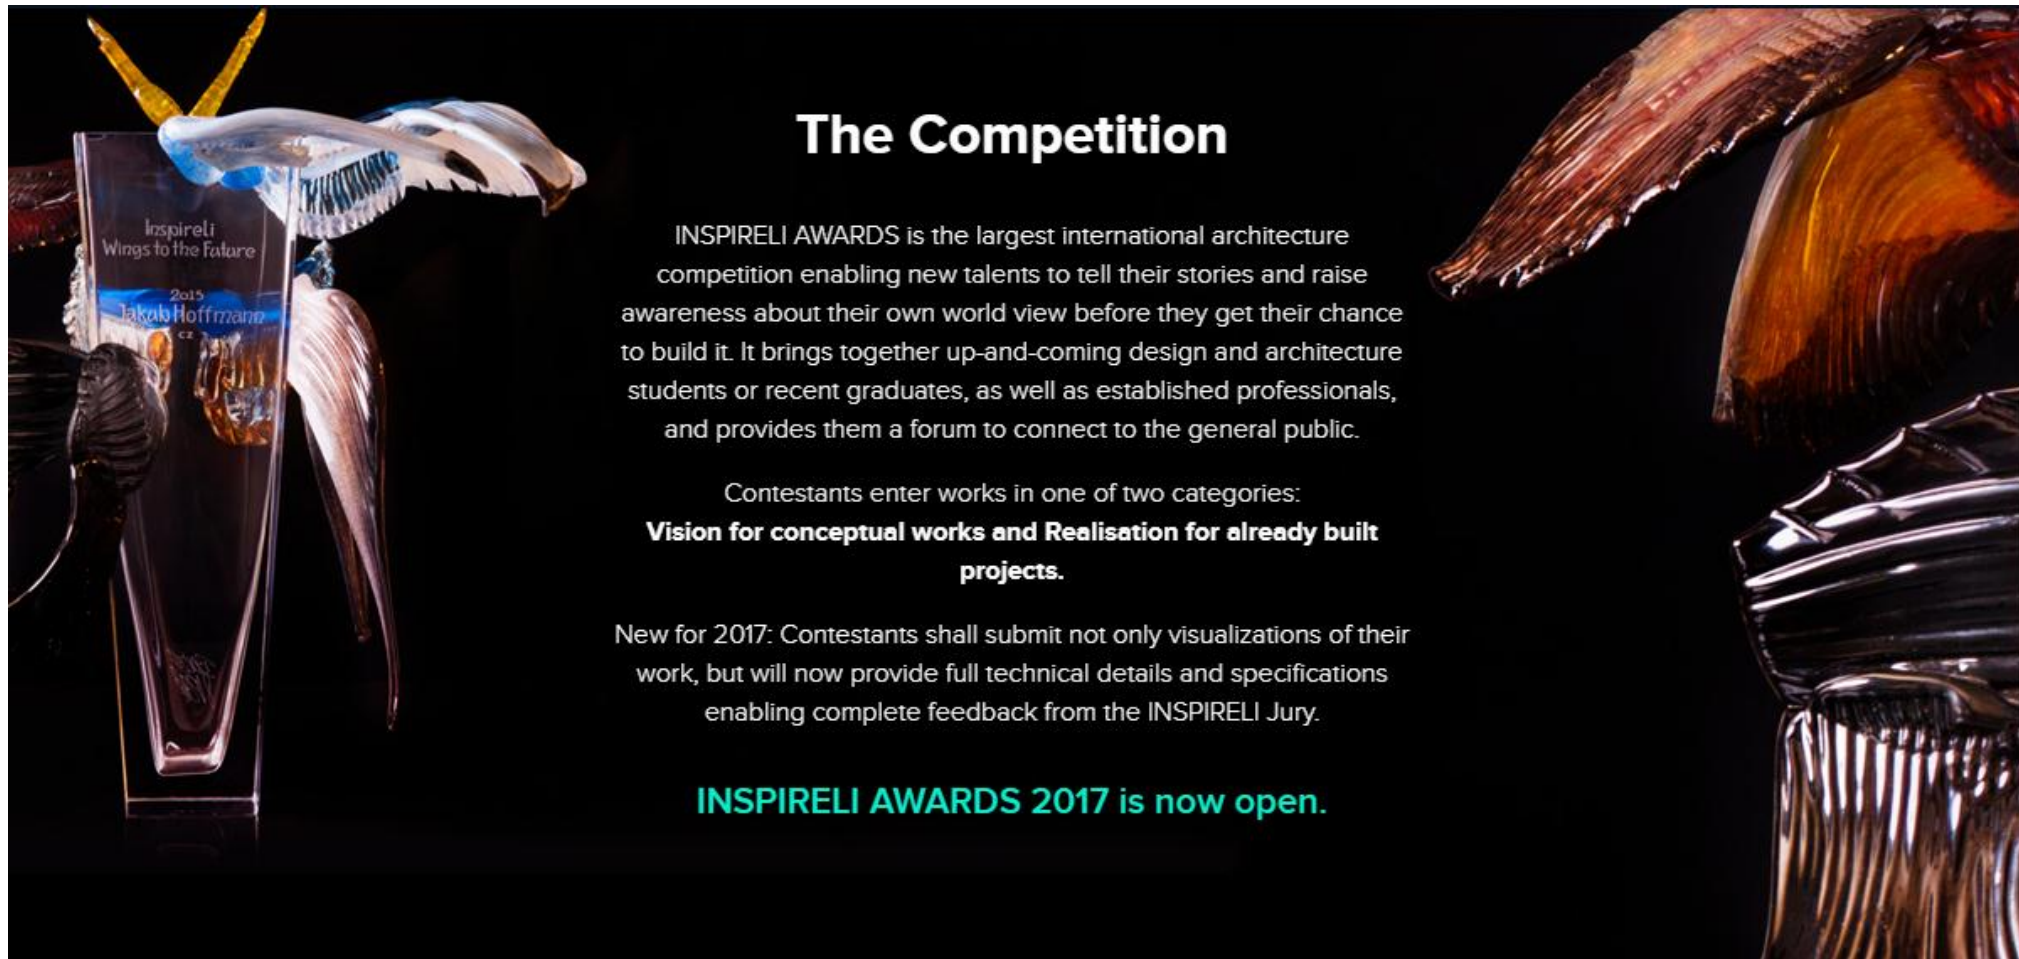

**FLOATING FLOORS FEATURES CONSTRUCTION PLAN**

# INSPIRELI AWARDS | WHAT IT IS

## The Competition

INSPIRELI AWARDS is the largest international architecture competition enabling new talents to tell their stories and raise awareness about their own world view before they get their chance to build it. It brings together up-and-coming design and architecture students or recent graduates, as well as established professionals, and provides them a forum to connect to the general public.

Contestants enter works in one of two categories:  
**Vision for conceptual works and Realisation for already built projects.**

New for 2017: Contestants shall submit not only visualizations of their work, but will now provide full technical details and specifications enabling complete feedback from the INSPIRELI Jury.

**INSPIRELI AWARDS 2017 is now open.**

# ARCASIA TRAVEL PRIZE

## ARCASIA Travel Prize 2018

By NS BlueScope

ARCASIA Travel Prize for 2018 hosted by NS BlueScope, will be open to young architects 40 years and under from 21 Architecture Institutes of ARCASIA. This Prize will be awarded every two years and the presentation will be held in conjunction with Student Jamboree during Asian Congress of Architects (ACA).

### Program:

The competition this year will call for young architects to propose a research study program of their choice, a theme of their choice, and in a country of their choice. The countries of research travel will be limited to only the 21 countries of ARCASIA Member Institutes. The focus of research should be beneficial to the culture and society of the recipient's home country. All candidates must also present travel itinerary, schedule of travel, and focus of research upon competition submission as part of evaluation process.

### Jury Members:

The jury members will be from award winners of Emerging Architects Award (2 persons), the ACYA Chairperson, as well as Luke Yeung, and Supaporn Vithayathawornwong from ASA, whom will be co-conveners. The secretariat of ARCASIA Travel Prize will be in Bangkok, Thailand.

ATP request the winners to contact the Institute of the country of travel and the Institute to assist and provide guidance to the winners during their research study in that country. Suggest ACYA country representative to be the contact person to the winners.

# ARCASIA TRAVEL PRIZE | ROLE OF ACYA
