KIRA – Korea Institute of Registered Architects

Major Changes

Paradigm Shift in Practice	
	<p>Korean architects will remember 2023 as the year of "BIG CHANGE" in architectural practice.</p>
	<p>After many years of effort, KIRA was able to achieve a firm legal status by the amendment of 'registered architects act' in 2022.</p>
	<p>As of August 4th, 2023, it became mandatory to join KIRA to practice architecture.</p>
	<p>The representatives of Korean people expects more social role of profession of architecture by reaching out to the corners of society.</p>
	<p>KIRA should embrace new members, open to new ideas and try to build responsible practice.</p>
